

## Peace Officer Tuition Exemption Request

In order to be considered, you must be making satisfactory progress toward your degree plan, as defined by UHCL's financial aid policy; apply for the exemption no later than one week before the end of Open Registration for the appropriate semester and not have accumulated more than 150 semester credit hours while attending any Texas Public community college or university where you paid resident tuition. For more information, please visit www.collegeforalltexans.com

Per the Texas Education Code 54.208, no more than 20% of a given class may receive awards from the Peace Officer Exemption Program. For example, this means that in a class of 10, only 2 students could receive the exemption. When you submit a copy of the Peace Officer Exemption Request Form to the Office of Student Financial Aid or via fax to 281-283-2502, the date and time of submission will be recorded. Requests for exemption will be placed according to the order in which they were submitted.
